

For Love of the Earth

A Women's Retreat for deep connection
to Mother Earth and other women

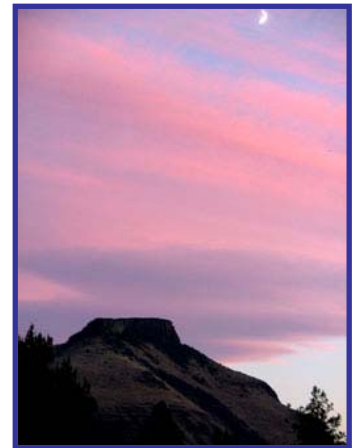

August 22-24, 2008

Rafting and camping on the
Lower Deschutes River, Oregon

Presented by Oregon Mystery School
in collaboration with *People of the Heart**

You are invited to join us in ancient and contemporary practices that will awaken you to the Divine in yourself and the other-than-human world. Come to the magical Lower Deschutes River with us and enjoy:

- ⓐ Connecting more deeply to the nurturing spirit of Mother Earth
- ⓐ Soulful and sacred play
- ⓐ An experience of support and connection with other women
- ⓐ An expansive and powerful appreciation for Earth's creatures
- ⓐ Joyful gratitude for being in physical form, embodying both human and Divine spirit

Arrive in Maupin, Oregon on Friday, August 22nd by 9:00; program ends around 4:00 on Sunday.

\$450 includes food, rafting gear, vehicle shuttle and camping fees, as well as a contribution for river guides and retreat leader. A portion of your contribution goes to support *People of the Heart*.

More trip details will be available soon at our website:

Program guided by Jan Shannon of Oregon Mystery School

Jan Shannon is a leader, coach and guide for those seeking meaning and connection in their business and personal worlds. For over ten years she has worked with corporate and small business leaders and teams to build respectful, healthy relationships and facilitate communication that creates wholeness and healing at work.

As an ordained Minister and Earth Steward with a deep commitment to healing human separation from Mother Earth, Jan leads others into wild places, creating a container for deep connection and intimate, joyful relationship with the natural world.

**People of the Heart is an inclusive community and non profit organization dedicated to peace: Honoring oneness and diversity in each other, nature, and planet earth; Gathering together in community to play, pray, work, teach, and learn; Helping one another to peacefully love and serve our world.
